Re: **the correct classification of Receipts on account of Antirabic treatment charges, etc., under W(a) Advances 23 (a) X Payments by Government recoverable from Local Bodies.**

Sir,

In inviting your reference to this office circular No. 45—B.2, dated 28th July 1931, regarding the misclassification of credits in respect of the item noted above in the Treasury Accounts, I have the honour to observe that the amounts of crossed cheques on the above account issued by the Local Bodies are not being credited under the correct head of account, *viz.*, " W(a) Advances 23 (a) X Payments by Government recoverable from Local Bodies " in the Treasury Accounts, but continue to be wrongly classified under various other heads such as O.B.A. Civil, XVII Medical—XVIII Public Health, etc. Strict instructions may kindly be issued to all the Treasuries under your control to classify these credits correctly in future. The Local Bodies that credit the amounts into the Treasuries in this behalf may also be requested to note the correct head of classification together with the No. and Date of the demand of this office on the challans for facility of reference and easy adjustment.

I have the honour to be,
Sir,
Your most obedient servant,
